**PHOTOGRAPHY SKILLS TRAINING • Thurs, JANUARY 9, 7-9PM •  
The Library Center Auditorium, 4653 S Campbell Ave in  
Springfield, Missouri**

Always wanted to try MACRO PHOTOGRAPHY? During this skills night training, learn how to take amazing macro images even when you don't own a macro lens!

Be sure to bring your camera, tripod and a standard lens (kit lens). If you are fortunate to own a macro lens and/or "extension tubes," please bring those along for practice as well. We will have extension tubes to borrow if needed. Learn how to be a MACRO photographer with the equipment you already have!

See you Thursday, January 9th, @7PM. NOTE our meeting location has changed for 2025: The Library Center Auditorium, 4653 S Campbell Ave. in Springfield, Missouri.

## January 23 Program – Hazel Meredith

**Layers & Masking Demystified:** Learn why layers are important – and useful – when working in Photoshop. Hazel will review the various types of layers and how they can make your workflow easier. She will also show you how to apply masking to a layer – a task many feel intimidated by. It's easier than you think!

Hazel will join us through Zoom to demonstrate the techniques above. The meeting will begin at 7:00 pm in the Library Center Auditorium. You are welcome to bring your computers if you want to follow along or just come and take notes.

## ELAINE MILLER

### Exhibits

Elaine Miller

Hope everyone had a good holiday season. We will again be having club and team exhibits this year, along with our on-going exhibit at the Botanical Center. The following list is the exhibits that will be hanging in the first quarter:

Location	Hanging Date	Due Date	Club/Team	Theme	Notes
Botanical Center		1/9/2025	Club	Night Sky	8 Photos – Matted – No frames
Botanical Center		2/27/2025	Club	Winter	8 Photos – Matted – No frames
Republic Library	3/1/2025		Team	Abstract	Jane Ballard and Elaine Miller
Joplin Library	3/1/2025		Club	Moments	12 – 20 Photos – <b>Must be framed*</b>
Botanical Center		3/27/2025	Club	Patterns in Nature	8 Photos – Matted – No frames

\*All photos hung in Joplin, regardless of how it is printed (metal, canvas, photo paper) must be framed. I have seen “offset” frames used for canvas prints and it looks good.

#### Reminders

- The Botanical Center photos are to be matted with a single mat and a thin backing (about a mat’s thickness). The outside dimensions of the mat need to be 16 X 20. Please do not frame.
- For Club exhibits
  - Individuals are responsible for bringing and picking up their photo(s), or ensuring someone will take and/or pick up your photo(s) if you are unavailable
  - May be printed on metal, canvas, or printed, matted, and framed
  - ALL IMAGES MUST BE WIRED ON THE BACK FOR HANGING – NO SAWTOOTH HANGERS
  - Minimum size of Image: 11 X 14
  - Maximum size of Image: 20 X 24
  - Minimum size of Frame: 16 X 20
  - Maximum size of Frame: 24 X 36
  - Exceptions (larger or smaller) to image and frame sizes must be approved by the Exhibits Chair**
- For Team exhibits
  - The team decides on the theme (except for Midtown Carnegie), types of prints, and sizes of prints
  - The team chooses one member to coordinate with the venue
  - The team is responsible for hanging and taking down
  - The team is responsible for the opening presentation if one is scheduled

It is cost effective to use a standard size frame and mat. Custom sizing is allowed with no approval needed as long as the minimum and maximum print and frame sizes are met.

Standard Frame Size	Mat Opening	Print Size
8 x 10	4.5 x 6.5	5 x 7
11 x 14	7.5 x 9.5	8 x 10
16 x 20	10.5 x 13.5	11 x 14
20 x 24	15.5 x 19.5	16 x 20
24 x 36	19.5 x 29.5	20 x 30
30 x 40	21.5 x 31.5	22 x 32

Never exhibited before? It’s a good way to share your vision and be part of a fun experience. If you have any questions, please see me at a meeting, message me on Messenger, or email me at [elmliller.photos@gmail.com](mailto:elmliller.photos@gmail.com).

Happy New Year to all!

We have a photo-packed New Year planned for you all!

First is the January 9 deadline to enter Round Two of the PSA Interclub Competition. Submit ONE image in any one or all five of the categories - Color, Monochrome, Nature, Photo Travel, and/or Photojournalism. Our Round Three PSA Interclub Competition images will be due in March, so you can start planning for those, too!

Next up will be our Spring Scavenger Hunt! This fun “get you off the couch” challenge will begin with the announcement of the categories in February.

Don't forget that we have our Quarterly Competitions, too, and the first one of the year has a deadline of January 16 to enter!

There are NO excuses not to participate as all of the entries are digital with no printing necessary! Just give us your best shots!

# MEET TWO OF OUR RETURNING BOARD MEMBERS

## VICE PRESIDENT

**Susan Gettys**

Susan Gettys – Vice President

After serving as club president the past two years, I am looking forward to taking a step back and serving as vice president. I have been a member of Southwest Missouri Camera Club since 2013, joining shortly after I retired from being Assistant Superintendent for Instructional Services for the Waynesville School District. Having more free time allowed me to focus on learning more about photography. I have been a photographer since the early 1980s when I bought a Canon AE-1 film camera. Switching to the DSLR camera provided a new learning curve for me, which I have thoroughly enjoyed. I am a life-long learner and enjoy the challenge of constantly learning something new. My favorite things to photograph are anything outdoors, especially National Parks and flowers. I also enjoy photographing my dogs, usually using my cell phone for those photos.

I have other hobbies that also keep me busy. I enjoy reading (all types of books), knitting and other crafts, traveling, and being active in my church. I just started making fused glass projects. I recently took on a new role with the General Federation of Women's Clubs, a volunteer women's organization. I was elected as Secretary at the national level in June. Our Executive Committee meets 3-4 times a year at our National Headquarters in Washington, DC. In addition, we all travel to 5-7 states each year to speak at their conventions. It is a position that will keep me very busy! Life is never dull, and I enjoy the challenges that each day brings.

My goal for the upcoming year is to create beautiful art – through photography and my other artistic hobbies. I want to focus more on the creative side of photography and am looking forward to the possibilities that will bring.

## WEB MASTER

**Teresa Brown**

Besides my general career in graphic design and video/TV production with a fine arts degree, I also have an MBA with emphasis in Marketing from Missouri State. My favorite class was "Quantitative Analysis" – definitely one of those "right brain/left brain" types. I have enjoyed a few jobs where I could apply this penchant for analytics.

As Advertising Manager for a mail-order business, I handled marketing/design of our promotions in national magazines based on sales response stats. In a role as Social Media Director, I relied heavily on statistics to guide a national-level Christian women's speaker from 65,000 to 100,000 page followers. I also developed multi-tier social media ad campaigns to promote her women's conferences throughout the country.

During a 10-year stint in product label and packaging design, I illustrated and designed for home fragrance products marketed in the gift industry. Initially, these were distributed through boutique shops across the country. Then serving as part of a multi-functional leadership team, it was exciting to see our product distribution grow to mass distribution through the likes of Bed, Bath & Beyond and Sam's Clubs.

Trivia. But we all have life experiences which shape our perspectives – even our approach to photography. Our favored subject matter. Preferred genres. The direction of our photography journey. SWMCC offers a diversity of opportunities from which to choose your next step: skills training, competitions, exhibits, and field trip opportunities.

Make 2025 a significant year on your Photography Journey!
